Dear Excellency,

**Sub : Invitation to Explore Investment and Participation
Opportunities in the Mumbai Marina Project.**

It is our pleasure to share that Mumbai Port Authority has floated a Global Tender No. 77/2026 on the Central Public Procurement Portal (CPPP) for the development of the prestigious Mumbai Marina Project, one of the flagship projects showcased during "Samvad 2026". (Website : <https://eprocure.gov.in/eprocure/app>) . The Tender document is enclosed for your kind information and reference.

The project is envisaged as India's first-of-its-kind world-class marina, offering a comprehensive and integrated ecosystem with capacity for 696 yachts, of which Mumbai Port will be developing ecosystem for 424 yachts, alongwith breakwater. The Marina will feature a range of premium facilities, including Luxurious hotels, MLCP & Tourism Business Centre, Yachts Club House, Terminal Building, Sailing School and an exclusive Yacht Repair and Stacking Facility, creating an exceptional destination for yachting, sailing, leisure and maritime tourism.

With its strategic location in the heart of Mumbai and its world-class vision, the project presents a unique opportunity for international participation and collaboration in developing one of India's most distinctive waterfront destinations.

Mumbai Port Authority looks forward to welcoming global players as designers, consultants, developers, operators and strategic partners in shaping what is envisioned to be India's premier marina destination and a new global waterfront landmark for Mumbai.

We would be grateful if Your Excellency could kindly share this prestigious opportunity with relevant stakeholders, investors, business groups, maritime organizations, tourism and hospitality groups, yacht and marina operators, and potential international partners in your country of posting who may be interested in exploring participation in this landmark project.
